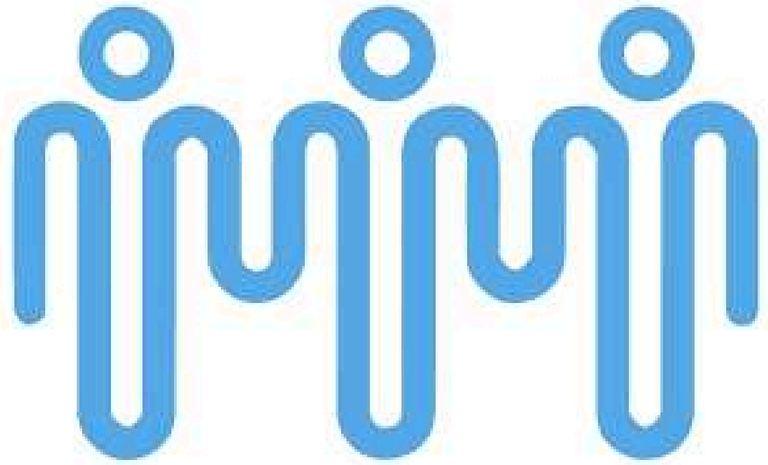
Visit internme.app



INTERNME

Why Internme? The Complete Career Launch Platform

Guaranteed Paid Internships

98.5% of our internships are paid. Premium users unlock guaranteed paid opportunities — no more unpaid gigs.

Mentor Connect

Direct 1-on-1 access to seasoned industry professionals who guide your career journey from day one.

Massive Network

793+ Companies · 74 Domains · 41,552+ Opportunities created and growing every day.

Trust & Verification

100% verified corporates and pre-assessed students — ensuring every match is the right one.

Learn from the Best: Internme Mentor Connect

Exclusive access to industry experts — available to premium subscribers.

1-on-1 Mentorship Sessions

Connect with professionals from top companies like Flipkart, Reliance, and Godrej for direct, personalized guidance.

Career Roadmap

Get tailored advice on the right career path based on your unique strengths, interests, and goals.

Resume & Interview Prep

Experts review your profile end-to-end and conduct realistic mock interviews to sharpen your edge.

Network Building

Build lasting professional relationships that open doors well beyond your first internship.

INDUSTRY EXPERTS

Why Guidance from Industry Experts Matters

> "My mentor helped me understand the nuances of AI in healthcare — that's how I landed my dream internship!"
> **— Past Internme User**

Bridging the Gap

Learn what colleges don't teach — workplace etiquette, real-world practices, and emerging industry trends.

Domain Deep Dives

Experts from AI, ML, Marketing, Finance, and Engineering share insider knowledge you won't find in textbooks.

Trend Spotting

Stay ahead with insights on RPA, Generative AI prompts, and data analytics straight from the field.

Comprehensive Career Guidance at Every Step

From self-discovery to your first corporate certificate — Internme walks with you the entire way.

Step 1: Self-Discovery

AI-powered assessment to identify your strengths and map your ideal career path.

Step 2: Skill Building

Curated courses in UiPath RPA, AI, and Data Analytics — all with recognized certifications.

Step 3: Mentor Connect

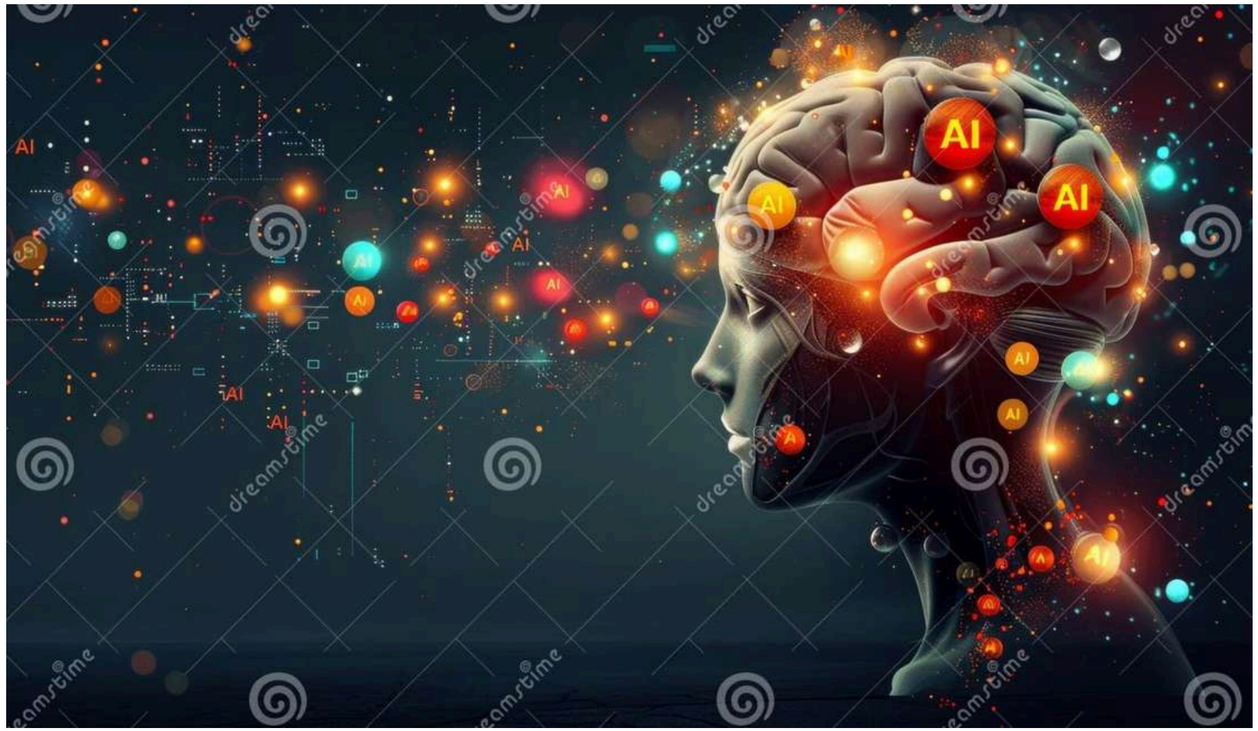
Get matched with an industry expert for personalized, one-on-one career guidance.

Step 4: Internship Placement

Apply to guaranteed paid internships with 100% verified corporates — no guesswork.

Step 5: Corporate Certification

Earn certificates directly from companies — credentials that carry real weight on your résumé.



AI & ML

Future-Proof Your Career with AI & Machine Learning

The most in-demand skills in tech are waiting for you at Internme.

Featured: "Making Academic Research Easier: How OruAI and Semantic Scholar Help Scholars"

Cutting-Edge Projects

Work hands-on with Robotic Process Automation (RPA), Generative AI, and Computer Vision.

Expert-Led Learning

Learn directly from professionals at leading tech firms and get certified in the most sought-after fields.

Code Your Way to Success

From front-end design to back-end architecture — Internme connects you to the development roles that launch careers.

Software Developer Internship

Build real-world applications at verified companies across every tech stack.

Full Stack Developer Internship

Master both client and server side. Work on live products from day one.

Python & Java Internships

Specialize in Python or Java — two of the most in-demand languages in the industry.

UI/UX & Web Development

Design beautiful, functional experiences for web and mobile with top companies.

Shape the Future of Business

Whether you're an MBA student or a marketing enthusiast, Internme has the domain for you.

Marketing & Digital Marketing

SEO, SMO, content strategy — drive real results for real brands.

Sales & Business Development

Close deals, build pipelines, and learn the art of persuasion from the ground up.

HR — Generalist & Recruitment

Discover how great companies build great teams through smart hiring and culture.

Operations & Market Research

Optimize processes, analyze markets, and gain hands-on experience in strategy execution.

SUCCESS STORY – REAL STUDENT, REAL RESULTS

From Internme to Employed: Yazhini's Journey

> "I am pursuing Bachelor of Engineering in Computer Science at KSR College of Engineering, Tiruchengode. I am grateful for the wonderful offer from Volunt Technologies through Internme. The platform allows students to explore career opportunities based on their skills and capabilities. My mentor from Internme guided me throughout the interview process. I recommend students use this platform to kickstart their careers."

— **Yazhini P**, Placed at **Volunt Technologies**
